

Virtual Aging Network Meetings

Central MN Council on Aging will be hosting monthly **Virtual Aging Network Meetings**. We are very fortunate in our region to have such a strong and collaborative network of providers. In this fluid environment, it is more important than ever to stay connected and updated. These meetings will serve as a platform for providers to update one another on program service changes made with Covid-19, share lessons learned and innovative ideas for working with older adults, and receive updates from CMCOA.

Questions about the meetings or to be added to the meeting notification list contact: Natalie Matthewson - natalie.matthewson@cmcoa.org

Note: Central meeting day has changed to Tuesday and time changed for November.
