2005 COUNTY GAPS ANALYSIS RESULTS

Home and Community-Based Long-Term Care Services

- Overall supply of home and community-based services was deemed adequate.
- Adult day services were identified as having been decreased or eliminated in the county.
- Evening and weekend care and adult day services were identified as inadequate or unavailable.
- Resource management is the highest priority.

Housing Options

- Overall supply of housing and services was deemed inadequate.
- Two new housing developments with 60 units were added in the county.
- Subsidized rental apartments for seniors (with and without services), market rate rental apartments for seniors (with services), and board and lodging (with services) were identified as inadequate or unavailable.
- Highest priority is the development of subsidized senior housing.

Nursing Homes

- Overall supply of nursing home beds was deemed adequate.

¹ Elderly Dependency Ratio: the number of individuals age 65+ divided by the number of individuals ages 15-64.

² Race categories are single race alone, except for the “two or more races” category. Individuals of Hispanic origin can be of any race.

³ Family Caregiver Ratio: the ratio of the number of older adults age 85+ to the number of females ages 45-64 (who are the typical caregivers).

⁴ Fiscal Year: state budget year beginning July 1 and ending June 30 of following year.

⁵ Alternative Care Program: is a state-funded program that supports certain home and community-based services for older Minnesotans age 65 and over who are at risk of nursing home placement, have low levels of income and assets, but are not eligible for Medical Assistance.

⁶ Fee For Service Elderly Waiver Program: is a program that funds home and community-based services for people age 65 and older who are eligible for Medical Assistance (MA) and require the level of medical care provided in a nursing home but choose to reside in the community. Individuals in the Fee for Service program are not receiving their care through MSHO.

⁷ MSHO EW Add On: is payment for EW services within MSHO. Minnesota Senior Health Options (MSHO) is a health care program that combines all health care services and long-term care services into one health care package. It is for people ages 65 and older who are eligible for Medical Assistance (MA) and enrolled in Medicare Parts A and B or who have MA only.

⁸ Non-Waiver Medical Assistance Home Care: is MA home care services for individuals who are not receiving their services through a waiver program because they are not deemed at risk of nursing home placement.

⁹ Individuals with Higher Care Needs: those individuals who are assessed at Case Mix levels B-K. Case Mix A is the classification used for those individuals with the lowest level of care needs.
