

Senior Network Events

**All events run from 9-10:30am • Mark Your Calendars •
Bring A Friend**

What is the Senior Network? It's a forum for professionals, service providers and older adults to network and share information while promoting education and awareness about aging.

What happens at Network events? Events are a time for networking, guest speakers, education and program updates.

Who does the Network include? The Network includes community organizations, businesses, churches, community ed, colleges, university staff, government employees, older adults, newspaper and radio staff and YOU!

Are there membership fees? There are no membership fees to participate in Senior Network Events. Event hosts provide refreshments for those attending. The events are open to the public. Newcomers are welcomed.

Will I be put on a committee? No! The events are intended to generate ideas and foster new partnerships. Projects grow from the events—committees are “optional” and beyond the scope of the Network.
